

Wild Game Processor Declaration

This is to certify that during the current period of accreditation (2022) _____
_____ with accreditation number _____
supplied a total of _____ wild game carcasses.

Each of these carcasses were examined by a qualified meat safety officer in accordance with the Australian Standard for the Hygienic Production of Wild Game Meat for Human Consumption AS4464.

The results of the inspections determined that during this period _____ carcasses were either condemned or downgraded. For the following reason/s:

All other carcasses supplied by this accreditation holder were found, by pre-dressing and post-mortem inspection, to be correctly identified, and free from obvious signs of disease or visible contamination and suitable for human consumption.

This declaration of conformity is valid from date ____/____/____ to ____/____/____
