

Landholder Consent for Wild Game Harvesting 2023

This form is to be completed by landholders and provides consent for an accredited wild animal harvester to enter the property for the purpose of wild game harvesting.

It is recommended that the landholder keeps a copy of this consent form for their records. The landholder has the right to revoke consent at any time.

This form must be retained by the harvester and provided to a Safe Food Production Queensland (Safe Food) approved auditor when requested to do so.
